

Subject: Please Accept Internationally Validated Non-Animal Methods  
Date: Tuesday, May 22, 2007 7:20 PM  
From: France Dombrowski

Tuesday, May 22, 2007

To: ICCVAM officials

This is to urge you to accept internationally validated non-animal methods, including non-animal test methods for skin and eye irritation, phototoxicity, and pyrogenicity (fever induction), and to follow the additional December 2006 recommendations of the animal protection community.

Thanks,

France Dombrowski
